SUZY LEE

## Mirror

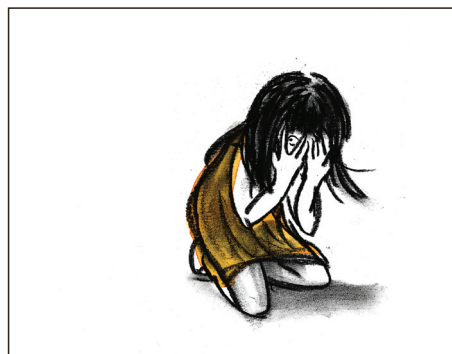

Suzy Lee

Stunning in its simplicity and grace, *Mirror* is visual tour-de-force that requires no words to tell its universal tale. Author and illustrator Suzy Lee masterfully creates a world where a little girl explores and dances—at first cautiously, later exuberantly—with her reflection in the mirror. When discord between the girl and her reflection surfaces, Lee's unforgettable story provides a gentle reminder that our actions have consequences. A beautiful book sure to be embraced by the many fans of *Wave*, Suzy Lee's *Mirror* strengthens her growing reputation as one of the most exciting new authors to watch.

# Life-Size Zoo

Teruyuki Komiya

Get closer to twenty of the world's favorite zoo animals than you've ever been before—with vivid photographs reproduced on the page at actual size. Kids and grown-ups alike will be awed by the gatefold pull outs of a giraffe, rhinoceros and more.

"Playful and developmentally savvy ... This portable zoo feeds [a child's] natural inquisitiveness ... [A] fascinating meg-book."

—Leonard S. Marcus, *The New York Times Book Review*

"Stellar photographs, playful format and informative content create a highly appealing package." —*Publishers Weekly*

"The photos are absolutely remarkable. You'll see gorgeous details of animals most of us will never really get very close to. This is a great choice for any animal-loving kid."

—*Fort Worth Star-Telegram*

"A stunning introduction to animals that many children may only see on smaller-than-life-size TV and computer screens."

## Stickers!

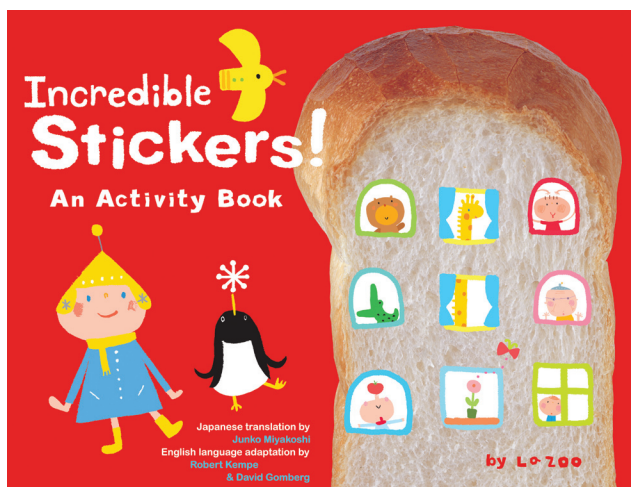

La ZOO

A sticker book unlike any other, in *Stickers!* little hands can help mice decorate a birthday cake or an elephant chef feed pancakes to his hungry friends. From making ducks fashionable to putting wheels on a fishbowl, from dressing silverware in skirts to putting lipstick on a pig, a world of possibilities awaits your imagination.

## Incredible Stickers!

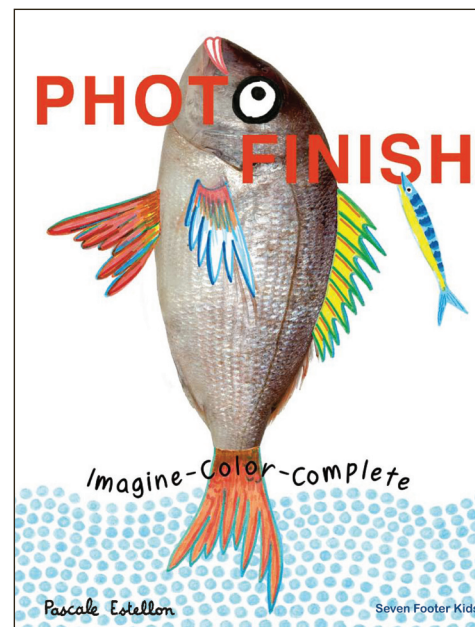

La ZOO

Is it a stalk of broccoli or a tree? A slice of bread or an apartment building? Get ready to look at ordinary things in extraordinary ways. With hundreds of zany stickers and a little imagination, you decide what's what! A head of cabbage can become a hill, a doughnut can become a spaceship, a sandwich can become a mountain peak—and that's just the tip of the iceberg (or is it a snow cone?) in the wacky, wonderful world you can create with *Incredible Stickers!*

## Photo Finish

Pascale Estellon

What happens when readers are given photographs with parts missing? Whether drawing, cutting and pasting, or painting, the perfect answers lie in the reader's own imagination. Complete the portraits, finish the scenes, and turn everyday items into your own works of art. The possibilities are endless as readers are invited to paint the missing half of a portrait, fill a summer sky with flying saucers, make a broccoli ballerina, turn a teacup into a cowboy, and more!

## Picture This

Pascale Estellon

*Picture This* is a photo album where readers can draw, cut, paste, color, and try new things as they fill in the missing pieces of photographs with their own imagination. Whether designing your own line of sunglasses or creating the book jackets for an imaginary pirate adventure novel or romance novel, there's no limit to the creative challenges *Picture This* presents. Create your own superhero, help potatoes escape becoming dinner, design hats straight on the heads of models, or supervise the wedding of a carrot to an eggplant—the only thing missing are the answers only your imagination can provide.

## Let's Color!

La ZOO

Letting children know that going outside the lines can be fine, young minds will open to the limitlessness of imagination as they learn how fun and interesting coloring can be. Monsters? Ketchup? Clouds? Shapes? Anything can come alive on the pages of *Let's Color!*

## Imagine That!

La ZOO

An activity book that helps children stretch their creativity, *Imagine That!* inspires children to color and draw their own creations. From a ladybug fashion show to dancing dinosaurs, boys and girls will find the prompts that will get their minds—and crayons, markers, and paintbrushes—moving.

## Squiggles!

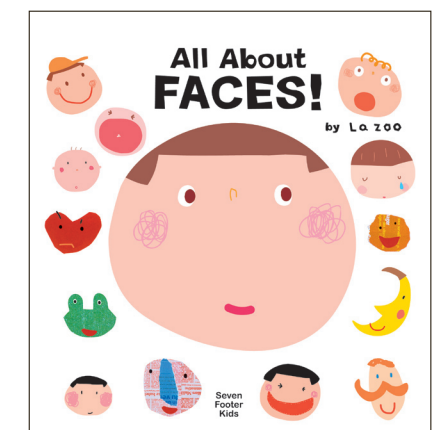

La ZOO

For readers old enough to hold a pencil or crayon, *Squiggles!* shows how drawing a simple spiral lets you make a lion's mane, a beautiful flower, cotton candy, and much, much more! Coloring and drawing have never been this fun!

## All About Faces!

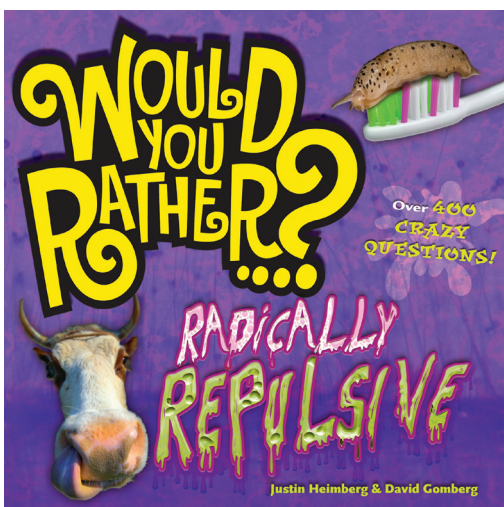

La ZOO

Is there any part of the body that fascinates children as much as the face? A face can frown or cry, show happiness and show anger. In this remarkable new book with simple words and delightful pictures, the face, with its many parts, is explained in terms and concepts young minds can grasp.

### Would You Rather...? Radically Repulsive

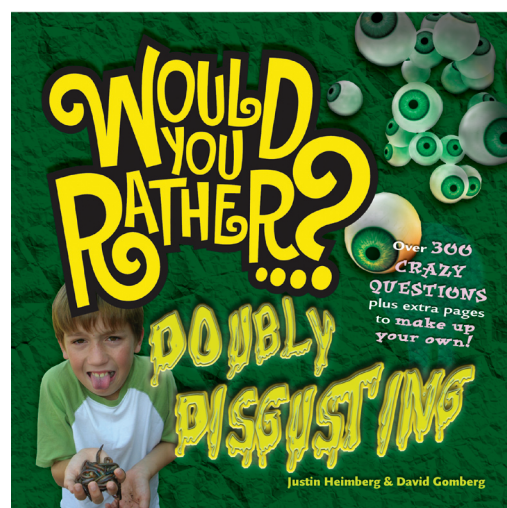

Over 300 All New Crazy Questions Plus Extra Pages to Make Up Your Own  
Justin Heimberg + David Gomberg

This all-new volume is absolutely crammed with the completely tasteless—yet entirely age-appropriate—questions the younger set of *Would You Rather...?* fans can't get enough of. Educators and librarians alike put aside their queasiness to praise the *Would You Rather...?* books aimed at youthful readers for getting the most resistant audience not just reading, but discussing what they've read. As a gateway book for reluctant readers, *Would You Rather...? Radically Repulsive* sparks the imagination, building the literacy and reasoning skills that will serve young people well when they select their next (and next, and next, and next) book.

### Would You Rather...? Doubly Disgusting

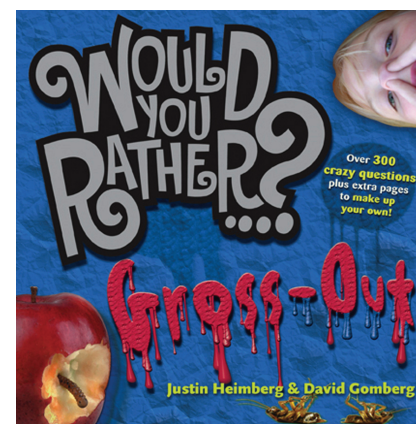

Over 300 All New Crazy Questions Plus Extra Pages to Make Up Your Own  
Justin Heimberg + David Gomberg

Following the success of *Would You Rather...? Gross Out*, this new kids' entry in the series is the perfect way to get reluctant readers 8-15 not just reading, but also talking about what they've read—as well as laughing out loud at these tasteless, but completely age-appropriate questions.
